Synopsis:

Sometime in the near future, in an age in which l'le have established contact and communications with planets outside our galaxy. Scan2Go has become a huge phenomenon throughout ail of outer space. However the people of earth have ooly recently learned of Scan2Go and the number of people competing remain few in number. Finally, people on earth have just formed a team to cultivate young men and women to race. The main character in tbe series is Kazuya, who competes in the a tournament, the «Pro-Racer Exhibition Race.» Kazuya, who possesses the power of the eagle, performed weil with his blazing. innate power commanding !lis falconine beast spirit. Kazuya was no match for the other teams that had won t!leir l'lay through t!le competitive Space Preliminaries.

Kazuya got eliminated after the first round.

Realizing the difficult obstacles that lie before them, Kazuya said, «At this rate l'll never become number one.» Kazuya, along with his friends. leaves the small Earth behind him and sets off on a univérse-wide quest to hone their skills as warriors. Placing their fate on the Scan2Ga, this series shows the epic space adventure of young men and wamen. Through these adventures
